ABOUT US

A Legacy of Trust in Every Grain

Manufacturing a Stronger Agricultural Tomorrow

Shramajeevi Modern Industries was established in 1963 in Davanagere, Karnataka, with a vision to support India's agricultural and food processing sector through reliable and efficient machinery. What began as a modest engineering unit has today grown into a trusted manufacturer of grain processing machinery, serving customers across India.

For over six decades, we have remained committed to quality engineering, continuous innovation and customer satisfaction. Our machines are designed to deliver better grain quality, higher productivity and long-term reliability for millers, processors, farmers and businesses.

OUR VALUES

QUALITY
Reliable and durable machinery for long-term performance.

INNOVATION
Continuous improvement to meet evolving industry needs.

CUSTOMER FOCUS
Building lasting relationships through trust and support.

SUSTAINABILITY
Supporting agriculture and a cleaner, greener tomorrow.

OUR COMMITMENT

At Shramajeevi Modern Industries, we are committed to empowering the agricultural value chain with advanced processing solutions, reliable service and a long-term partnership approach. We continue to work towards a cleaner food supply, stronger agribusinesses and a brighter future for generations to come.

Reliable Processing Solutions for a Cleaner Brighter Yield

TURMERIC POLISHING DURM

Improves Product Finish | Sturdy & Durable Design | Consistent Performance | Suitable for Various Varieties

Efficient Polishing for Cleaner & Brighter Turmeric

Product Highlights

- Removes Surface Impurities
- Improves Product Finish
- Robust & Durable Construction
- Easy Operation
- Suitable for Different Turmeric Varieties

PRODUCT NAME	CAPACITY (Ton per hours TPH)	SPEED (Machine RPM)	POWER REQUIRED
TURMERIC POLISHING DURM	*3 TPH TO 5 TPH*	*38 RPM*	*15 HP / GEAR MOTOR*

NOTE :

1. The machinery capacity mentioned in ton per hour (TPH).
2. Capacity varies with variety of product and moisture content.
3. The designs are subject to change without notice.
